Dear Sir or Madam

The present contracts for subsidised bus services in the Romsey, Totton and Waterside area expire on 3 November 2012 and tenders will shortly be sought, with a view to new four-year contracts being let from 4 November 2012. A list of the services being re-tendered is attached.

As funding levels remain unchanged since the Bus Subsidy Review in 2011, it is envisaged that most services will be retendered on the basis of the existing timetables, including days of operation, frequency and span of day, which were all determined under the review. However, if there are any factors relating to these services that you wish to be considered in the retendering please let me know as soon as possible and, ideally by 11 June 2012.

Should you require longer to respond, or if you have any queries prior to submitting a fuller response, then please do not hesitate to contact me to discuss this.

(Town and Parish Clerks are asked to note that this e-mail is being sent to clerks only; please forward copies to your transport representatives and other members as appropriate – many thanks).
