

Repair to front door at 7 Broadwalk Way

The Clerk received a telephone call in the office on Tuesday 8th May saying that the above property had received a damaged front door.

The owners only noticed the damage after returning from being away for the weekend.

The owners believe that the Ground staff damaged the front door while strimming the bank to the canal. The Ground staff did carry out work that afternoon on the canal but do not remember damaging any properties.

The Clerk and the owner of the property have each got a quote for the repair to the front door and they are:

Totton Glass Ltd - £163.80 + Vat
JsC - £305.00
