Subject: Agenda item - P&R or MPC before financial year end

That Committees (not chairs) be allowed to move money within their allocated budgets rather than go back to MPC on each occasion.

Caveats for consideration is that the ability to move pots of money can only be in relation to current year-in budget and not allocated reserves from previous years - this would provide a safety net

E.g. 5,000 in bridge reserves cannot be touched but £500 intended for reserves within the current year could be reallocated if needs must.

Such a change would make committee meetings more meaningful whilst reducing agenda item at full Council.
