Hi Melanie,

I have been told by officers that the "20 Is Plenty" scheme is not being further rolled out. I'm not sure why. I will ask some further questions...

Morning David

AT Monday evenings Planning Committee we had an item about speeding vehicles on Oakland Drive and Main Road. I explained that PC Andy Smith was now trained to carry out speed enforcement and that he had been doing this.

However, Members asked if more '20 is plenty' signs could be erected in the village and asked if we could ask you to chase /request this. I know these signs are normally only around schools but if you could help tis would be great. I have not contacted HCC about this.

Thanks and regards
