

Vehicle insurance renewal

The Parish Councils insurance for its vehicles was due for renewal in May.

When the Officers received the renewal notice from the current insurer it was for £1178.72. This premium covers both of the red vans and the trailer.

Officers contacted Came & Co who sourced the Councils and Trustees insurance and asked them to quote for the vehicle insurance. Came & Co came back with a premium of £839.52.

Officers have therefore changed insurance companies for the vehicles and they are now insured with Equity Red Star.
