

Writing off unpaid invoices

The Parish Council currently has two unpaid invoices that we recommend are written off as bad debt.

Invoice 2020: £45, this was for an advert in the Village News magazine. The person was sent a second reminder invoice on the 22nd August and have still not paid.

Invoice 2041: £45, this was for an advert in the Village News magazine. The person cancelled their advert after the magazine had gone to print and it was too late to replace it with another advert or article.
