

Party in the Park 2

At the Parish Council meeting held on 23rd July 2012 it was resolved that

'Members supported the event in principle for 2014 and to investigate the prospect of doing a joint event with the Fete. That the monies made from this year's Jubilee 'Picnic in the Park' event be put back into reserves. A vote was taken 7 for and 1 against'.

During the Budget and Precept process in November 2012 an extra £600 was added to the Public Relations budget in anticipation of holding the above event. This budget at the start of the new financial year will stand at £1100.

The Jubilee Party in the Park cost around £5200 to hold.

Officers have spoken to the Fete Committee and they are open to having a discussion about holding a joint fete / Party in the Park in 2014 but they will need to know in the very near future.
