

Annual Report 2015/16

It has been another busy year in Marchwood. It was my opportunity to welcome four new Councillors David Dale, Mike Proctor, Richard Young and Jane Bovey.

We said farewell to Rolli Rowlands. Along with the sad death of Ron Vango-Fisher, both had served as Councillor's for many years.

Lightsource Renewable Energy has made a donation to the village of £15,000 for the Tavells Lane Solar Farm. Your Parish Council is planning to ring fence this donation for specific community projects.

As reported last year the concession for Marchwood Military Port has been granted to Solent Gateway. They were due to take over the site on 1st April. We have asked for a meeting, and will keep you informed as to their plans for the Port.

The Parish Council on behalf of the Scouts and Guides has gained planning permission to erect a new purpose built Scout and Guide Hut on the Lloyd Recreation Ground. They are now busy raising the funds to build it.

Highlights of 2015/16

Falklands Memorial

The Parish Council were delighted to receive a grant from the Royal Fleet Auxiliary Association for improvements to the Falklands Memorial. With this money two bespoke benches were designed depicting the RFA Sir Galahad and the other the Sir Tristram. Two flag poles and money towards the cleaning and repainting of the inscription on the wall was also donated.

Public Open Spaces

The Grounds men have worked tirelessly again this year to maintain the 80 acres of open space within the village. The Grounds men have continued to carry out daily litter picks around the play areas and open space. Over the autumn they planted another 5,000 bulbs which have flowered this spring.

The village also gained some new residents this year when the fairies moved in. Have you found their new houses yet?

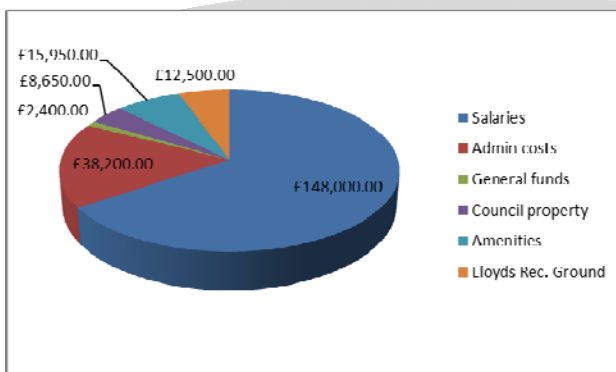

Defibrillator

We are delighted to announce that Marchwood Village now has three more Defibrillators. The Parish Council has sited one at the Lloyds Recreation Ground, on the left hand side of the entrance to the Pavilion. One is sited at Staplewood Training Ground by the Security Office, kindly donated and maintained by Southampton Football Club and the last one is at the Security Office at the entrance of the Industrial Park. This one was donated by ABP. The Parish Council will be holding workshops with a 'dummy' Defibrillator so members of the public will be able to practice with them. The first one will be at the Village Fete in July.

Expenditure and Income 2015/16

The precept for 2015/16 represented an increase of £1.87 or 3p per week per band D property.
