## Complaint received from a user of Lloyds Rec

6. **RESOLVED:** To write to the Scout Group Leader and explain that the behaviour displayed by one of the Scout Leaders was not acceptable and that we have a duty of care to all users of the Recreation Ground.

To remind that Scouts that there are other users of the ground and that the ground needs to be left in a safe condition after their activities. Checks must be made to ensure that all of their equipment is removed from the ground and that any waste is disposed of in a safe manner.

There being no further business the meeting closed at 20.36.
