

New Forest Accredited Community Safety Officer's (ACSO's) Weekly Community Bulletin

2nd of October 2013

Police at New Milton are appealing for information after a Samurai sword and electrical items were stolen in the burglary of an Ashley flat.

Between noon on Saturday, September 21, and noon on Monday, September 24, someone broke a bedroom window of a ground floor flat, searched the premises and left with £2,500 worth of the owner's possessions.

Included in the missing items is a 42-inch Paul Chen Samurai sword with a ray-skin handle. Also taken were a 40-inch Samsung flat screen television and a 22-inch LG flat screen television and their remote controls.

A Blackberry Tablet, Sony HD camcorder, a Kodak pocket camera, Samsung digital camera, Phillips headphones and a memory card with martial arts training footage also are missing.

PC Graham Wilkins is leading the investigation. He said:

"I need to hear from anyone who saw or heard unusual activity or unfamiliar people in that area during the 48 hours in question. There would have been the noise of breaking glass, and the intruder probably used a vehicle.

"I am particularly interested in hearing from anyone who saw a suspicious vehicle in the area of Ashley Cross Road or Ashtree Close and anyone who has been offered any of the items since the burglary."

RMS Number: 44130361638

Can you help?

COUNTRY WATCH

Western Weekly:

3rd October 2013

Colleagues,

Not long now before the summer time ends and the clocks go back an hour.

Country Watch will be out and about across the New Forest conducting 'Stay Under 40' operations as we often see an increase of animal fatalities as the darkness falls in the early evenings.

It is the season for theft of heating oil and diesel, many of you will now be thinking about filling up your tanks, so please remain vigilant and report any suspicious vehicles or persons scouting your property, we offer a range of security advice and products which will deter the 'would be thieves', please give us a call on our Country Watch mobile 07766 423174 and speak to a member of our team.

Not long now before the horse blankets are bought out of the stables and ready to be fitted, please could I ask every one to mark and identify all your horse blankets and rugs, this can be done by simply painting your blankets with your postcode or a unique reference number on the sides in large letters and numbers. It might look unpleasant or you may feel this will damage the look of the blanket, but it is worth nothing if it's stolen.
