Keep Calm and Know Your Rights

An education campaign has started in Portsmouth to improve young people's knowledge of their rights when stopped and searched by the police.

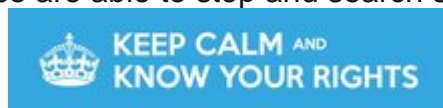

Hampshire Constabulary is responding to recent research, which found 41 per cent of children, teenagers and young people last stopped and/or searched in the city did not understand the reasons why.

Detailed survey interviews asked young people for their views on how the police could address these issues effectively - and communicate their rights with clearer, more memorable methods.

The research led Hampshire Constabulary to develop an education campaign named 'Keep Calm and Know Your Rights', which will be presented through a variety of ways suggested by young people

DRUG ALERT – Two deaths among Hampshire heroin users

Hampshire Drug and Alcohol Action Team has received information from Hampshire Constabulary and Solent NHS Trust Drug & Alcohol Recovery Service that, in the past week, two heroin users from the Fareham / Gosport and Portsmouth areas have died following the use of what is believed to be a batch of contaminated heroin.

A further three people have been hospitalised following serious adverse reactions.

All five incidents appear linked to a rogue batch of heroin supplied in the Portsmouth area. A sample has been seized for testing as it appears the deaths may have resulted from the presence of a toxic cutting agent. What is clear is that this presents a **significant and immediate risk to heroin users in the Portsmouth and Hampshire area.**

All staff who deal with service users who may be vulnerable are asked to read the attached information.

COUNTRY WATCH

Western Weekly:

9th May 2013

Colleagues,

On Thursday the team conducted vehicle stop checks at the Beaulieu Road Pony Sales in partnership with VOSA. 15 vehicles were inspected, Country Watch issued two endorsable fixed penalty notices, one for no insurance and the other for having too many passengers within a vehicle, we issued four non-endorsable fixed penalty notices, one for having no MOT and 3 for number plate offences. VOSA issued 4 delayed prohibitions and another 4 prohibitions which required immediate action, a very successful day.

Hampshire County Fair, Netley Marsh – this bank holiday weekend saw the Country Watch team at our first local show of the season; we set up our display stands and interacted with local residents and holiday makers alike. The reception was very positive, even if the weather was unpredictable...

Country Watch Conference Update (19th June 2013):

This week we are delighted to announce that the following organisations will be attending:

Hampshire Horsecatch: The scheme's aim is to offer advice and guidance to all those involved in equestrian pursuits - no matter how large or small their roles might be - on the best way to ensure they don't get an unwelcome call from the equine criminals and how best to protect their equine property.

Hampshire Constabulary Crime Scene Investigator: Practical advice on managing, preserving and securing evidence in a rural environment until the Police attend. Recovery of evidence is key to detecting crime.

Previously announced: CESAR/Datatag; Tracker; New Forest Land Advice Service; Farming Community Network; Natural England; BT Open Reach Metal Theft Task Force; Hampshire & IOW Air Ambulance; National Apprenticeship Scheme; Operation Quebec (Unauthorised traveller encampments); Chief Constable Marsh and Police & Crime Commissioner Hayes.
