### Dibden burglary brings police appeal

Police at Lyndhurst are appealing for information after jewellery, jewellery boxes and cash were stolen in a burglary at Southampton Road, Dibden.

When the resident popped out to shops for an hour at 11.30am Tuesday, August 20, a burglar gained access via a small top kitchen window. This gave access to a larger window and the back door.

An untidy search was made of the house, and many items were stolen. Police want to hear from anyone who has been offered any of the following items with a collective value in excess of £1,500:

- A platinum sapphire and diamond engagement ring from 1965
- A 1950s Goldsmiths ladies watch with a black leather strap and a second hand which rotates on its own
- Diamond and pearl earrings
- Heavy silver charm bracelet with an Eiffel Tower charm
- Earrings with three pearls in a leaf pattern
- Gold brooch with a centre pearl and turquoise enamel
- Silver Christening brooch
- Watch chain with a silver rubbed coin

Also missing are a green leather jewellery box with a tan stripe, dome lid and gold claw legs and a tan leather jewellery box with a fleur de lis pattern on top.

Police Staff Investigator Richard Lynham is investigating the burglary. He said:

“This is a rare crime in the area, but people should remain aware that their homes should be left locked and secure, including windows of all sizes, when they are not at home.

RMS Number: 44030314172

## Efit issued of Holbury burglar

Published: Friday, August 23, 2013

---

Police in the New Forest today issued an efit of a man wanted for a burglary of a house in Lime Kiln Lane, Holbury.

On Thursday, August 8, a man got into the house through an unlocked door and stole silver trinkets and a purse containing a small amount of cash.

He then tried to steal a cycle but was spotted by the 70-year-old victim and a 10-year-old boy who is a family friend. They were both outside at the time. They gave chase, and the burglar dropped the bike, making off on foot through woodlands towards 'The Old Mill' pub.

The burglar is described as white, aged in his early 20s and about 5ft 5ins tall. He had a flat nose and a large chin. The suspect was wearing a light grey hoody and black jogging bottoms. He also blinked a lot and had a deep voice.

Some of the trinkets he stole had been in the family for a number of years and were more than 100 years old.

Anyone who recognises the man or has any information about the burglary is asked to call Detective Constable Adrian Jones at Lyndhurst CID on 101 or call Crimestoppers anonymously on 0800 555 111.

## Police release e-fit images after New Milton burglary

Published: Thursday, August 22, 2013

Police at Lyndhurst today released e-fit images of two people they need to identify after the burglary of a residential flat above Pampered Beauty Salon, Old Milton Road, New Milton

Sometime between 10am and 4.45pm July 9, a purse was taken from the flat. At 4.45pm, the salon owner received a call from someone purporting to be from police at Bournemouth.

The caller said he had her purse, and her cards were stuck in a cash point. He attempted to get her PIN, but she refused. After the call, the salon owner found her purse and bank cards had been stolen from the upstairs flat.

The e-fit images are of a man and woman who were seen at the salon on the day of the burglary.

Police Staff Investigator Caroline Grinter said: "We want to identify the people in the e-fits so we can determine if they can be eliminated from our enquiries."

# COUNTRY WATCH

Western Weekly:

22<sup>nd</sup> August 2013

Colleagues,

This week we carried out another CESAR marking day for agricultural equipment. Several of you brought items of plant and machinery to be marked. We have now sold all of the kits we were able to offer at a subsidised price. During the four days that we carried out this initiative we estimate that we have security marked over £1 million of agricultural equipment across the New Forest District. Our thanks go to the New Forest Community Safety Partnership for providing funding to support this initiative. We may consider repeating the initiative in the future if there is sufficient appetite for it.

I have been busy supporting our training department in developing a Rural Awareness Course that will be delivered to over 1000 front line Officers working in rural areas throughout Hampshire and the Isle Of Wight. The pilot for the course will take place early September, and training will start at the end of September 2013 with Officers receiving a two day package. Over the coming months Officers will receive an input on areas including Countryside management, lawful shooting activities, traps/snares, firearms, poaching, wildlife crimes, travellers and gypsies (Operation Quebec), Automatic Number Plate Recognition technology, Terrorism in rural communities, Plant/agricultural equipment theft, Metal theft (Operation Tornado), Fly tipping and nuisance vehicles. This will provide increased awareness of the issues rural communities face, and will provide officers with the confidence and knowledge they need to deal with rural crimes. Thank you to the Country Watch members who have assisted in developing this package. It should benefit us all in the long term.

I have been busy trialling some different security marking products over the last couple of weeks and hope to have some updates on them soon. Watch this space.....

Louise

Sergeant Hubble.

### Poaching

16/08. Totton. Damage caused to fence to permit access to land for poaching.

### Rural Arson

16/08. Totton. 20 tonnes of hay and manure set alight by unknown persons.
