have a detrimental effect on the street scene. The rendering effect is not in keeping with the surrounding properties and the proposed side wall will be very over bearing. There is also concern about reduced sight lines when exiting from the cul-de-sac. The application is therefore not in accordance with policy CS2 of the New Forest District Council Local Development Framework Core Strategy adopted October 2009.

Lawful Development Certificate

7. These applications are for notification only and the Council is unable to comment.

17/10331 – Perc Lyn, Pooks Green: two detached steel outbuildings/workshops set on concrete slabs.

17/10894 – 10 The Hawthorns: single storey extension.

Correspondence

8.

- a) New Forest District Council: Traffic Management Programme Scheme. **The Bury Road Cycle path is not sign posted from Eling. Perhaps a formal sign saying Marchwood to Eling Cycle path would get more people using it instead of Trotts Lane. Could everyone look at the signage around the village to see what could be improved or required.**
- b) National Association of Local Councils: Broadband Universal Service Obligation, consultation on design. **Support, but areas of Marchwood are still having problems. If you are not receiving the speeds BT have said you should this needs to be reported to HCC at <https://www.hampshiresuperfastbroadband.com/>**
